DETAILED ACTION

SUPPLEMENTAL EXAMINER'S ANSWER

This communication is in response to the "Order Returning Undocketed Appeal To Examiner" in which the Board of Appeals requested a copy of a translation of EP 320,382 (February 1989). This number was incorrectly stated in the "(8) Evidence Relied Upon" section of the Examiner's Answer and in line 3 of the "(9) Grounds of Rejection" section of the Examiner's Answer. The correct reference number is EP 302382 (February 1989). This correct number was used in the both prior art rejections during prosecution, and also appears correctly in the "(9) Grounds of the Rejection", lines 8, 18 and in the "(10) Response to Argument" sections of the Examiner's answer, therefore, it is clear that "EP 302382" is the correct number that should have been listed in the "(8) Evidence Relied Upon" section of the Examiner's answer. EP 302382 is in English and therefore a translation is not necessary. A copy of EP 302382 is supplied herewith.
